Document 4: Order Support FAQ

Harbour & Pine Outdoor Co. Order Support and Account FAQ

This page answers the questions we hear most about placing orders, paying, changing orders and fixing problems with a delivery.

Accounts and checkout

You can order as a guest or create an account. An account lets you see your order history and tracking numbers. To create one, you need an email address and a password of at least 10 characters. If you forget your password, use the reset link on the sign-in page and we will email you instructions.

Payment

We accept Visa, Mastercard, American Express and PayPal. Your card is charged when you place your order. We do not store your full card number. You will receive an order confirmation email within 10 minutes. If it has not arrived, check your spam folder and then contact us.

Changing or cancelling an order

You can change the delivery address or cancel an order at any time before it ships. Orders placed before 2pm on a weekday ship the same day, so please contact us as soon as you can. The fastest way is to call 555-0142 during store hours. You can also email support@harbourandpine.example. If your order has already shipped, we cannot cancel it. When it arrives, you can return it under our Returns Policy.

Tracking your order

When your order ships, we email you a tracking number. The tracking page usually shows its first update within 24 hours. If you have an account, you can also find the tracking number in your order history.

Signatures

Orders over $200 need a signature on delivery. If nobody is home, the carrier will leave a card and try again the next business day. After two failed attempts the parcel goes back to a carrier depot, and you can contact the carrier to arrange a time.

Damaged, missing or wrong items

If something arrives damaged, if an item is missing, or if we sent the wrong item, please contact us within 7 days of delivery. For damage, include photos of the item and the box. We will send a replacement at no cost to you, and we will email you a prepaid label if we need the damaged item back.

Lost parcels

If the tracking page has not updated for 5 business days, please contact us. We will open an investigation with the carrier, which can take up to 10 business days. If the carrier cannot find the parcel, we will send a replacement or give you a full refund, whichever you prefer.

Out-of-stock items

If an item is out of stock, you can ask us to email you when it is back. We do not take orders for items that are out of stock. The email tells you the day the item returns to the shelf. It is not a reservation, so popular sizes can sell out again quickly.

Your personal information

We use your details only to process orders and answer your questions. We do not sell your personal information. To delete your account, email us and we will remove it within 30 days. You can unsubscribe from marketing emails at any time with the link at the bottom of each email.

Contacting us

Our phone line is staffed during store hours: Monday to Friday, 9am to 6pm, and Saturday, 10am to 4pm. We are closed on Sundays and public holidays. Emails sent at any time are answered within 1 business day. When you contact us, please include your order number, as it helps us find your order faster.

Common questions

Can I change the size of an item after I have ordered? Yes, if the order has not shipped. Contact us as soon as you can. If it has shipped, return the item and order the right size.

Do you deliver to PO boxes? Yes, with standard shipping only. Express shipping needs a street address.

Why was my card charged twice? You may see a pending authorisation and a final charge for the same order. The pending one disappears within a few days. If you still see two charges after that, contact us.
